## Federal Open Market Committee

The Federal Open Market Committee (FOMC) is composed of the seven members of the Federal Reserve's Board of Governors, the President of the Federal Reserve Bank of New York and the Presidents of four other Federal Reserve District Banks who serve on a rotating basis. By tradition, the FOMC elects as its Chairman the Chairman of the Board of Governors; as Vice Chairman, it traditionally elects the President of the Federal Reserve Bank of New York.

### Board of Governors

Ben Bernanke, Chairman \*  
Donald L. Kohn, Vice Chairman \*  
Kevin Warsh\*  
Randall S. Kroszner\*  
Elizabeth A. Duke\*

### Beige Book Released

January 14  
March 4  
April 15  
June 10  
July 29  
September 9  
October 21  
December 2

### Minutes from Prior FOMC Released

January 6  
February 18  
April 7  
May 20  
July 15  
September 1  
October 13  
November 25

The Chairman of the Federal Reserve's Board of Governors generally presents a semi-annual Monetary Policy Report to Congress during the third week of February and again in July.

\* voting member of FOMC in 2009

## Disclaimer

These monthly calendars for 2009 indicate the current schedule for the release of important financial market events such as economic reports, FOMC meetings and the release of related materials, and the Treasury's debt activities. All times shown refer to the Eastern time zone. The times and dates given for the indicators reflect publicly available information on January 2, 2009. However, these data are subject to change without notice.

The information contained in this publication is for information purposes only. The information contained herein has been obtained or derived from public sources believed by us to be reliable, but we do not represent that it is accurate or complete and it should not be relied upon as such. Any opinions or predictions constitute our judgement as of the date of this publication and are subject to change without notice. The information contained herein is not meant to be, nor shall it be construed as, an offer by Bank of America Corporation or any of its affiliates (together, the "Bank") to offer to buy or sell any currency or financial product. The Bank may from time to time hold positions in, and may effect transactions in, currencies and financial instruments mentioned herein.
